

The Fredericksburg Convention Center is capable of hosting trade shows, consumer shows, receptions, weddings, banquets, sports events, meetings, and conventions for up to 3,400 attendees. The facility boasts an 80,000 sq. ft. exhibition hall, 10,000 sq. ft. ballroom, and 11 meeting rooms. There are over 1,200 parking spaces.

The Fredericksburg Convention Center is committed to providing a first-class experience to attendees and exhibitors of all abilities. The staff at the Fredericksburg Convention Center will work to ensure that all accessibility needs are met in order to provide the highest level of guest satisfaction.

Services provided include an onsite event coordinator to plan all of the details for your event, including audio visual equipment, catering, event timeline and room layout.

Accessibility FAQ's at the Fredericksburg Convention Center

Parking

There are 20 handicap accessible parking spaces available at the Fredericksburg Convention Center. They are all centrally located near the accessible entrances to the side walk and building front entrance.

Restrooms

All restrooms in the Fredericksburg Convention Center are equipped with at least one handicap accessible stall. All restroom sinks and hand drying devices meet ADA height requirements.

Meeting Rooms

All Fredericksburg Convention Center meeting rooms are wheelchair accessible. In addition, the room names are included in Braille in all of the Meeting Room and Ballroom signage.

Additional Services

Wheelchairs are available as a courtesy to guests attending events at the Fredericksburg Convention Center at no cost. To borrow a wheelchair, inquire at the Box Office or speak to a Fredericksburg Convention Center staff member.
