Scavenger Hunt

August 31 - October 20

How It Works:

Get Started: Pick up your 2024 Find FXBG form at the Fredericksburg Visitor Center (706 Caroline Street) or print it from our website. - FXBG.com

Study the Boundaries: Familiarize yourself with the hunt's boundaries to ensure you know where to search. All clues are visible from public rights of way—please respect private property and adhere to pedestrian safety guidelines.

Seek and Find: Use the images on the form to locate specific objects around the city. Once you've found them, jot down what the object is and the address/location where you discovered it. Answer example: "B" on wall at (address) 706 Caroline Street OR (name of business) Visitor Center".

Submit Your Findings: Turn in your completed form at the Fredericksburg Visitor Center, or enter it digitally through our website.
